ASMDA Space Camp Scholarships Available for 1 July 2018 – 6 July 2018!

1 May 2018 Application Deadline!

(Adapted from an article previously published in *The Eagle*)

The Air, Space, and Missile Defense Association (ASMDA) is offering 16 scholarships for selected children to attend a one week Space Camp this summer at the U.S. Space and Rocket Center in Huntsville, Alabama. These scholarships are open to any child, age 9-11, of a parent or guardian currently assigned to USASMDC/ARSTRAT, JFCC IMD, AMCOM, AMRDEC, PEO-M&S, MSIC, NASA Marshall, or MDA (military or civilian), including matrix personnel, and those that are contractors working for corporate members of ASMDA. Government and military personnel must apply for free membership to ASMDA to be eligible.

The ASMDA scholarship includes one week at Space Camp, round-trip airfare to and from parent's work location, Space Camp flight suit, and any unaccompanied minor travel fees.

"We are very excited about the opportunity we are offering our military and employees of the ASMDA community," said Ms. Julie Schumacher, President of ASMDA. "The ability to provide this wonderful experience to 16 young children who probably would not otherwise have an opportunity to attend is very rewarding."

The timeline for receiving applications and awarding this summer's ASMDA scholarships is very tight and we therefore cannot accept applications after the deadline of 1 May 2018. Our goal is to notify the winners starting on 23 May. Immediately following selection and acceptance, we will send an information package and begin making flight reservations, if applicable. Once selected by ASMDA, winners will be required to provide an attendance application (including a summer camp physical) to the U.S. Space and Rocket Center. ASMDA Scholarship Application Forms are included in this package and are available on our website at www.ASMDA.us.
